Graphistudio Wedding Album package

£1600

Your wedding day will be captured in a very natural and unobtrusive way, allowing you to be at your most comfortable throughout the day. Our relaxed shooting style, combined with a passion for capturing those "real life" moments, results in truly amazing pictures. We show all the emotion, passion and excitement of the day - from the Bride getting ready to your first dance in the evening.

After the big day we turn our attention to designing a beautiful wedding album that tells the story of your most memorable moments. Each album is created especially for you, with your individual style and personality in mind.

You will own a unique story book that will last for generations.

Full coverage of the day including:

- the Bride getting ready
- Groom & guests at Wedding venue
- the Bride's arrival
- the Ceremony
- Bride & Groom with family & guests
- Bride & Groom alone
- the Speeches
- Evening reception
- the First Dance
